GREAT BRITISH PUB & ROOMS

CAN'T WAIT TO WELCOME YOU BACK

A LITTLE BIT OF INFO ON OUR GARDEN SERVICE
FROM MON 12TH APRIL - SUN 16TH MAY

We are very much looking forward to welcoming you into the crown garden on Monday 12th April. To ensure there are as many tables available for you we have made a couple of small changes to our reservations for the 5 weeks of garden service:

- *We can serve outside only (**max table of 6**)*
- *Due to very high demand Friday and Saturday nights during this period will be on a first come first served basis with bookings to be made on the day. Reservations will be open from 9am Friday and Saturday mornings (Reservations for Fri & Sat nights from May 17th are now open inc indoor tables)*
- *Reservations will have a 2 hour slot so we can make sure that we can serve all our lovely customers*
- *Please ask on the day if you would like to stay longer and we will do our best to accommodate your needs. There can only be one reservation per party per day made to keep it fair for other guests*
- *Our pods are available for booking at all times, there is a £150 deposit required for Friday and Saturday bookings. Pods can be reserved for parties between 5/6 people*
- *We will have the marquee until we resume indoor service in May, please note different garden areas if making a booking. Not all tables are covered outside so you may need to bring a brolly !*
- *Normal bookings resume from Monday May 17th - bookings are open now (:*

Thats enough of the boring stuff ! We are getting ready to serve you all the fabulous crown treats that you've missed so much ... we will have the burgers grilling, the beer & wine chilled and cocktails ready for shaking - ready to see all your lovely faces (:
